2 Candidates for COUNTY COMMISSIONER for ONE 2-year term

<p>CANDIDATES for COUNTY COMMISSION</p> <p>ONE 2-year term <i>Vote for no more than ONE</i></p>	<p>Question 1 (150 Words or less): Provide biographical information and explain why you are running for County Commissioner and relevant qualities and skills you would bring to the position.</p>	<p>Question 2 (150 Words or less): What are the top 3 Priority Issues that the County Commission should address and what actions would you, as a commissioner, take regarding each of them?</p>
<p>Republican WADE FLEMING 3820 Victoria Dr. Troy, MI 48083</p>	<p>My wife Paula, and I raised our family in Troy for 36 years. We believe strongly in public service. I am currently in my 4th year as County Commissioner and Paula serves on the Troy School Board. I earned a BBA as an Accounting Major with 35 years in corporate management ending when I retired from my career as President/CEO of a tier 1 automotive supplier. During my 9 years on the Troy City Council and 4 years as Commissioner, I have focused on solutions to real problems and been a voice for all regardless of partisan background. My pledge to you is to be available and willing to listen for all citizens in Troy, Clawson and Royal Oak. I will use the experience I have gained in government, business and community service to make sure we get our fair share of road dollars, provide excellent services and create jobs. I currently serve on the General Govt. and Finance Committees, and Chair the Local Road Improvement, School Drinking Water Station and CZC Committees for the County.</p>	<p>Road Improvements: I will continue to work to improve the quality, timing and efficiency of our road construction. Oakland County must get our fair share of state and federal road funds. Let's fix existing roads before spending on new ones.</p> <p>Retain and Attract Business; As your Commissioner, I have put my business background to work to attract jobs to Troy, Clawson and Oakland County. With our excellent, safe quality of life, available properties and an aggressive strategy for emerging markets, we can attract new businesses and the professional/ Skilled workers of the future.</p> <p>Responsible Budgets: I will continue to work for a fiscally responsible county government and insist on a balanced budget plan 3 years in advance. A low county tax rate retains residents and businesses. Savings allow us to deal with crisis situations and unknowns, such as the possible Detroit Water and Sewer Department rate increases and any other unfunded mandates from the state and federal government.</p>
