3 Candidates for COUNTY COMMISSIONER for ONE 2-year term
1 Republican and 2 Democrats are running for this office in District 5

CANDIDATES for COUNTY COMMISSION ONE 2-year term <i>Vote for no more than ONE</i>	Question 1 (150 Words or less): Provide biographical information and explain why you are running for County Commissioner and relevant qualities and skills you would bring to the position.	Question 2 (150 Words or less): What are the top 3 Priority Issues that the County Commission should address and what actions would you, as a commissioner, take regarding each of them?
Republican TOM J. BERMAN 2525 S. Telegraph Rd. Ste. 100 Bloomfield Hills, MI 48302	I was elected in 2016 and am finishing my first term so I am running for reelection. I currently serve as the Vice Chair of the Republican Majority Caucus and I currently sit on the Public Services and Economic Development Committees (previously Planning & Building). I also serve as a member of the Study Group on Gun Violence and the Technology Study Group. It has been an honor and privilege to serve in these capacities. I have been able to utilize my education, background and experience as an attorney, as well as a proven leader in both business and government administration having held elected office previously as a Member of the Keego Harbor City Council, coupled with my entrepreneurial spirit, dedication and vigilance to help continue to advance Oakland County forward. The health and strength of Oakland County is of the utmost importance to me as a lifelong resident that continues to live, work, play, and most notably, raise my family here. I deeply care about Oakland County.	Our top priority is to maintain our AAA bond rating and sustaining the passage of multi-year balanced budgets through smart, responsible, and fiscally conservative principles. This allows Oakland County to sustain its success and ability to continue to be government trailblazers by being able to invest in advanced technologies and innovative initiatives and solutions to keep us strong. Secondly, strong fiscal management as such allows us to pursue Economic Development opportunities that are mission critical to encouraging businesses and people to stay or locate here. We also need to find a way to improve and participate in mobility to help our residents, including students and seniors to get to where they need to go. This will spur economic development and will improve our economic climate. Lastly, it is incumbent upon us to keep our community safe, specifically our children in our schools. I will continue to work with the Sheriff's Office and the Health and Human Services to do so.
