<p><i>Democrat</i> VINCENT GREGORY 19578 San Jose Blvd. Lathrup Village, MI 48076</p>	<p>I'm running for Oakland County Sheriff because we need an experienced leader who stands for integrity, inclusivity, and accountability in law enforcement. As a U.S. Marine, Vietnam veteran, former State Rep., former State Senator, former County Commissioner, and career law enforcement officer, I've held positions of public trust for decades. It's an honor to serve our communities and i'm eager to continue my service as the next Sheriff.</p> <p>I served with the Wayne County Sheriff Department for 30 years before retiring from the position of Detective. I served for 17 years as Vice President and then President of Wayne County Sheriff's local 502 SEIU, AFL-CIO. During my tenure as President, I was the lead negotiator for the largest Deputies Union in the State.</p> <p>During my time with Local 502, I was also part of a state wide group of Deputies to lobby State Legislators to approve secondary road funding which we were successful, which provided more safety for the residents of the County.</p>	<ol style="list-style-type: none"> 1. As Public Safety Officers we should be seen all over the County. I will work immediately to spread the Sheriff's office to all of Oakland County. I will try to secure more funding for secondary roads so Deputies can Patrol more of the secondary roads. 2. The hardworking female officers put their lives on the line every day, yet not one woman has been promoted to the highest rank of Captain in the past 20 years. We must promote women so they can lead , not just serve. I will immediately promote a qualified woman to the position of Captain. 3.If the federal Lawsuit is still going on, I will immediately get involved to try to bring this issue to a close.

<p><i>Democrat</i> BARNETT JONES 3480 Waldon Rd. Lake Orion, MI 48360</p>	<p>I have been a working lawman for more than 40 years, 19 of which were with the Oakland County Sheriff's Department. Since the day I left I have served as Chief of Police for Sterling Heights, Chief of Police, Fire and Public Safety in Ann Arbor and as a consultant for the emergency manager in Flint. Currently I work as the Chief of Security and Integrity for one of the world's largest public utilities. Each of those jobs has been a step towards this moment and my return to Oakland County; more seasoned, more knowledgeable and more proven. I had the honor of leading each of the Sheriff's four divisions: Technical Services, Protective Services, Corrective Services and Satellite Services. While performing in these positions, I had the distinct privilege of being mentored by John F. Nichols, the last lawman to serve as Oakland County Sheriff. I will be the next.</p>	<p>I didn't just start talking about Social Justice because of the current events, it's been at the forefront of my campaign since we started. There are non-violent offenders in jail, at the expense of taxpayers, for things like marijuana possession or traffic violations, some of whom are only there because they could not afford bail. This is why I support programs like the Cash Bail Reform Initiative. It not only may saves taxpayer dollars; it also frees up resources to better deal with violent offenders. As a part of my push for transparency and inclusion, I will see that female officers are given the same chance for advancement through every level of command; there has never been a woman promoted to captain and I'm going to change that. We are going to shatter the glass ceiling. While there is no one-size-fits-all solution for Community Engagement, only the most innovative efforts will make a difference. I've already got those plans in place and will hit the ground running.</p>
<p><i>Democrat</i> RANDY MALONEY 207 Coleman Rd. Waterford, MI 48328</p>	<p>I am running for Sheriff to correct the inappropriate activity the goes on at the sheriff office and also the millions of tax payer money wasted for no reason,Skills I bring are I retired from the sheriff office after 25 yrs service, I have worked every position in the jail and outside, noone running for sheriff can say that, the sheriff office was my life for the last 25 yrs if only the public really knew what goes on at the sheriff office they would be ashamed, and im running to correct the wrong</p>	<p>First, All the inappropriate activitys that go on at the sheriff office, will be investigated and charges brought against the people involved,,Second ,, all the wasteful spending of tax payers money, will stop and and be accounted for ,, Third ,, community relations, I will hold meetings with community leaders</p>

<p>Republican MICHAEL J. BOUCHARD P. O. Box 1835 Birmingham, MI 48012</p>	<p>Having served as the Sheriff since 1999, I have made advancements in safety and protection for both the citizens of Oakland County and for the men and women who protect and serve. Oakland County leads the nation in its community relationships and the Sheriff's Office continues to set standards and best practices for other agencies to emulate. With over 30 years of experience in law enforcement, I continually look for ways to better our agency. We have responded to issues in our communities with innovative ideas to tackle the opioid crisis, or the more recent COVID-19 pandemic. Our opioid response set the standard for the state where, due to the legislation I sought, our agency was the first to obtain and deploy Narcan to our Deputies. We also had one of the first robust Medically Assisted Treatment programs in the state to give addicts the treatment they need even while incarcerated. Because of our team's effort and successes, I was named National Sheriff of the Year in 2016.</p>	<p>Training and Recruitment: Good policing is the result of better hiring and better training. We need to invest in recruitment to be able to attract the brightest and best to serve our community. Further, we need a state-of-the-art training center where our Deputies can train and learn from the best instructors, which keeps our residents and our employees safe.</p> <p>Alternatives for Addiction: We have implemented many programs to combat drug addiction and aid those who need treatment, such as Rides to Recovery, Medically Assisted Treatment, Narcan Deployment, and Operation Medicine Cabinet. I will continue to look at ways to work with courts and judges to make sure those who truly need treatment instead of incarceration are able to get the help they need.</p> <p>Community Engagement: We have created numerous nationally recognized community outreach and engagement programs. We will continue to innovate new programs, build new relationships, and deepen existing ones.</p>
