PRESIDENT'S MESSAGE

The (Outgoing) President's Message

It has been a privilege to serve all of you and the community as President these past two years. We were super busy because it was an election year, but everyone cooperated and we got the job done. I will always cherish this experience.

This coming year, the LWVOA has a new challenge –finding a new mode of operations without a president. But I am confident that this challenge will be met. In fact, the board has already initiated a plan, so we are ready to go again!

Mary Ann Barkach

Operating as a Leadership Team

Oakland Area is fortunate in that, although we do not have a President, we have a great board with Officers and Directors (as well as off-board Chairs) who follow through on their responsibilities. However, there are certain activities that a President normally handles. At our June board meeting, we decided the following:

1. We will rotate the Board member responsible for setting the Agenda and running Board meetings. Jerry Burden will handle our August 21st meeting.
2. Eva Packard, as Secretary, will receive all emails and mail and distribute appropriately.
3. Mary Ann Barkach volunteered to continue sending out messages to the membership. She has the most up-to-date membership directory, so let her know if you change your Email ID.
4. Whoever is responsible for a General Meeting will run the meeting.
5. When the Board approves a Support or Oppose on an issue based on our positions, it will go out under "The Board of Directors of the League of Women Voters Oakland Area".
6. The Executive Board (Vice-presidents, Secretary, Treasurer) will decide who is responsible for approving written communications such as Oakland VOTER, dues and contribution letters, and responding to the media.
7. We will rotate the Board member who writes the President's Message in the VOTER.

We welcome new LWVOA Board members Kathy Bartley and Kimmie Shuck. Hope to see many of you at Cathy Hodson's home for our summer party and fundraiser on July 13th to start the new League year with fun and friendship.

Eva Packard

League of Women Voters Oakland Area Annual Meeting

Speakers Highlight Bipartisan Efforts to Close Loop Holes in Gun Laws

Marcia Gershenson (D) and William Dwyer (R), both Oakland County Commissioners, have courageously joined forces to address what they believe **can** be done to curb gun violence. Recognizing the polarization over second amendment rights and the party politics which have prevented passage of more restrictive gun laws, they are focusing on *closing the loopholes in existing laws*.

Together they authored a resolution to study existing gun control laws and held informational hearings with local law enforcement, schools, U.S. attorney, and mental health experts. Currently they are in the process of developing recommendations as a consequence of that study which will be presented to the Board of Commissioners and made available to the public. Some key suggestions proposed:

1. Improved communication and coordination between agencies coupled with local issuing of gun permits – thereby reducing the chance of giving a permit to someone with a criminal record.
2. Provide an educational program for gun owners emphasizing the need for gun locks and making them responsible for the security of their guns.
3. Increase help for the mentally ill through Medicaid expansion and funding from the NRA, thereby minimizing the chance of gun violence such as the recent movie theatre and school shootings. (They noted these shootings were all with legally owned guns.)
4. Increase school security through in-school liason officers who can function as student counselors and confidants and diffuse problems before they escalate to violence.

A lively question and answer period followed their presentation.

Oakland Duo Receives Helen Milliken Leadership in Civic Empowerment Award

This year the State Board renamed the Leadership in Civic Empowerment Award in recognition of the legacy of leadership and extraordinary service to Michigan by Helen Milliken, a long-time League member and longest serving First Lady of the state of Michigan. This award was first presented in 2007. The **Helen Milliken Leadership and Civic Empowerment Award** honors individuals who have led the way in providing citizens with information and in encouraging informed voters through League work at the state and/or local level.

LWVMI President Sue Smith (center) poses with Helen Milliken award winners Jerry Burden and Judy Bateman at State Convention.

Mary Ann Barkach announced at the Annual Meeting that the **team of Judy Bateman and Jerry Burden** received the Helen Milliken Leadership in Civic Empowerment Award. Together this dynamic duo has a combined 70 years of membership in the League of Women Voters.

They have organized over 300 Candidate Forums, covering races from U.S. Congress to School Board and have served in every role needed to produce a successful forum - Coordinator, Moderator, Timer, Screener and Page. Individually, each is an accomplished leader, having served in a wide variety of leadership positions in their Local League.

They have driven untold miles all over the County in their quest to provide citizens with information about candidates and issues on the ballot in the county's 61 communities and 28 school districts. As a result of their insistence that forums be televised live or taped for later viewing, with some being made available online, voters all over the community benefit.

This team's reach extends beyond forums to voter registration, *They Represent You* brochures, and other voter service activities, attracting other members of the League to support the activities by their energy, commitment and passion, whether volunteering across the 900 square miles of Oakland County or volunteering to support citizen information efforts in Detroit or Macomb County or volunteering locally within their own Southeast Oakland County Communities.

Congratulations to Judy Bateman and Jerry Burden for this well-earned recognition.

Mary Ann credited LWVOA members who were honored at the State Convention with the Belle Ringer Award. This award offers Local Leagues and the State Board an opportunity to publicly thank members, selected by their Local League for a job well done in four categories.

Continued from Page 4

Ann Edwards received the Voter Service Award for her "They Represent You" efforts and for arranging candidate forums in the Rochester Area and in Macomb County which has no League. Renate Soulen, who organized speaker seminars on timely topics and ran the high school public service announcement contest, was given the Member Engagement award. Karen DeGrendel was honored as a Belle Ringer for her Fundraising efforts. Mary Ann Barkach received the Advocacy Award for her testimony in support of mass transit and urging members to support local proposals dealing with schools, recreation, libraries and transportation.

In addition, Mary Ann spoke about several other members who often serve as behind-the-scene workers and whose efforts are greatly appreciated: Cathy Hodson, Mary Howarth, and Carol Elder.

Other winners of the major state convention awards were: Terry Hluchyj of Kalamazoo who also received the Helen Milliken Award, Fran Schonenberg of Grosse Pointe who was honored with the Maryann Mahaffey Community Service Award, and Mary Brown of Kalamazoo Area who won the Belle Brotherton Award.

Two new members, Kimmie Shuck (L) and Kathy Bartley (R), pictured enjoying the Annual Meeting. Kimmie and Kathy next joined us at the June 12 Board Meeting pot luck at Toni Whitley's home.

And now we can welcome both as newly appointed Directors to the LWVOA Board! We expect to benefit from their youth and enthusiasm! Thank you both for volunteering.

Mary Ann Barkach, outgoing LWVOA President, received movie gift certificates from the Board of Directors at the Annual Meeting.

National Agriculture Update in Progress

The LWVUS update to its Agriculture position will focus narrowly on:

- 1) Current technology issues in agriculture including genetically modified organisms (GMOs), herbicides, pesticides, agriculture water pollution, aquifer depletion, antibiotics in livestock, and accurate food labeling; and
- 2) Current agriculture finance issues including consolidation in agriculture industries, crop subsidies and the federal agricultural regulatory process

A national Study Committee has been appointed and is preparing study materials and a Leader's guide which will be posted on the lwv.org website by this August. They will also be proposing Consensus questions to the national board. Consensus responses will be due by April 4th, 2014.

LWVOA plans to hold a public meeting with a speaker this Fall. www.lwv.org has an online study forum for the Agricultural Update (under Natural Resources). To access it or any other national Forum on the LWV website, go to Login and sign in or register if you have not yet done so. If you are interested in being involved in the Agriculture Update, please send an email to pres@lwvoa.org.
